Please, plan accordingly.

Return Policy for Enrollment Packs and/or Enrollment Kit Items

When processing returns of any or all items purchased as a part of an Enrollment Pack, the return will be processed as a return of the Enrollment itself. This is due to the Brand Partner Kit being free contingent on the purchase of the entirety of the optional Enrollment Pack.

As a result

- The Brand Partner Account will no longer have an active Enrollment tied to it.
- The account will no longer be considered in **Good Standing**.
- The account will be **cancelled**.

Additionally, any customers, Brand Partners, or Affiliates currently associated with the account's downline will be handled per our company policy.

For information on refunds of Starter Kits, please reference section 8.2 of Bravenly Global's Policies and Procedures.

All Bundles (including but not limited to: ACCELERATE TRIO, ACCELERATE TRIO, DOUBLE THREAT, TRIPLE THREAT, BODY BALANCE, ESSENTIALS, RADIANCE, GUT & MOOD, and MIND & BODY) have a grouping of products with an additional price discount. Therefore, the return price on items within a bundle will be returned according to the already discounted bundle price less the 10% administrative fee.

If the product was purchased directly from an Independent Brand Partner, **please contact them for a refund**. You will need to return the product and original invoice to the Brand Partner, who will refund the product purchase price. The Brand Partner will then return the product to Bravenly Global for a replacement product. We are only able to refund the original purchaser and original payment on file.

If the product was purchased from a Brand Partner website, please contact the Bravenly Global Support Department at support@bravenlyglobal.com

Brand Partners

A Brand Partner who terminates his or her business relationship with the company has the right to return for repurchase on commercially reasonable terms currently marketable inventory including company produced promotional materials, sales aids, and kits in the Brand Partner’s possession and purchased for resale prior to the date of termination. Goods are in “currently marketable condition” if they are unopened and unused and packaging and labeling has not been altered or damaged. For purposes hereof, reasonable commercial terms shall mean the repurchase of marketable inventory within twelve (12) months from the Brand Partner’s date of purchase at not less than 90% of the Brand Partner’s original net cost, less appropriate set-offs and legal claims, if any. Original shipping costs are not refundable and the Brand Partner is responsible for the cost of return freight. Any commissions, overrides, and/or bonuses paid to Brand Partners will be deducted from the refund. In addition, for purposes of this section, products shall not be considered currently marketable if returned for repurchase after the product's commercially reasonable, usable, or shelf-life period has passed (shelf life will be deemed to have passed if the product package has been opened); nor shall products be considered currently marketable if the company clearly discloses to Brand Partner prior to purchase that the products are seasonal, discontinued, or special promotional products and are not subject to the repurchase obligation. No refunds will be issued unless a Brand Partner is in strict compliance with the published refund policy that is part of the Bravenly Global Policies and Procedures Manual. Non-accepted delivery charges will be debited to the Brand Partner’s account for refusing product.
